SUMMARY

MSc Cybersecurity student (1st year) and BSc IT graduate (CGPA 7.61) with hands-on experience building full-stack web applications and fintech platforms using React, Firebase, Node.js, and MongoDB. Combines technical development skills with real-world leadership experience from running an independent business. Focused on the intersection of secure systems and practical software development.

PROJECTS

FinSure – Smart Financial Intelligence Platform ([Live](#) | [GitHub](#))

- Built a full-stack fintech web app using React.js, Firebase, and Tailwind CSS featuring EMI calculation, FinDNA financial risk profiling, and PDF report generation.
- Implemented secure Firebase Authentication, protected routes, and real-time data storage with Firestore; added multilingual support (English, Hindi, Marathi).

Real Estate Listing Platform — Web Developer Intern, Genz Educatewing ([Live](#) | [GitHub](#))

- Developed an end-to-end property listing platform with Node.js backend and MongoDB database, enabling users to browse, search, and list properties.
- Built a clean, responsive frontend ensuring consistent experience across devices and also deployed on GitHub Pages.

Personal Portfolio Website — Web Developer Intern, Genz Educatewing ([Live](#))

- Designed and developed a fully responsive personal portfolio with custom animations, parallax effects, and a scroll-progress system across mobile, tablet, and desktop.
- Built and embedded a rule-based AI chatbot that answers visitor questions about background, skills, and projects in real time.

LEADERSHIP & BUSINESS EXPERIENCE

Founder & Operator — Newspaper Distribution Business

2023 – 2024

- Independently founded and ran a newspaper distribution business during 1st and 2nd year of BSc IT, generating revenue exceeding ₹20,000 per month.
- Led and managed a team of 5+ workers, handling daily operations, scheduling, and quality control, including during heavy monsoon conditions.
- Developed strong leadership, resilience, and communication skills by independently managing end-to-end business operations while balancing full-time studies.

EDUCATION

2026 – Present	MSc Cybersecurity, Vidyalankar School of Information Technology, Wadala	
2023 – 2026	BSc Information Technology, Vidyalankar School of Information Technology, Wadala	CGPA 7.61
2023	HSC, Andhra Education Society, Wadala (Computer Science)	57.33%
2021	SSC, S.I.E.S. High School, Matunga	71.00%

SKILLS

Technical Skills	HTML, CSS, JavaScript, React.js, Tailwind CSS, Node.js, Firebase, MongoDB
Tools	Git, GitHub, VS Code, Vercel, GitHub Pages, Render
Currently Learning	Cybersecurity, Network Security
Soft Skills	Leadership, Team Management, Resilience, Communication, Quick Learner
